

# FREE BABYSITTING! IN MY HOME

Dr. Leonard Stynch

Let me take care of your children and teach them the wholesome values, the joy of honest labor and respect for old-fashioned no-nonsense discipline.

Give them a vocational headstart with my jobskills workshop conducted in an actual meat-packing house.

Vigorous physical exercise will clear their heads of all that Nintendo crap.

My special program includes

- \* Bible memorization
- \* character-building exercises
- \* personal hygiene drills
- \* hydrotherapeutic treatments
- \* electrically-assisted learning procedures
- \* garage playtime
- \* solid foods furnished upon request
